Only 12,000 copies of *March* will be available. The publisher, Cambridge University Press, is offering the book for free to all who have been involved in the struggle for the global anti-apartheid movement. The book is available on the Internet at <http://www.cambridge.org/0521777567>.

The *Aspilota* does not have transverse spiracles (as does *Aspilota*), but it has a single spiracle. The *Aspilota* is a common parasite of *Aspilota*.
