Note: Population and Dissemination Area information is based on 2011 census. Population calculated using 2011 Dissemination Area Population census counts and population counts calculated for 10Km, 15Km, and 20Km radii around each of communities. For LTC Homes that border the neighboring LHINs (Erie St. Clair, Waterloo Wellington, Hamilton Niagara Haldimand Brant and North Simcoe Muskoka) LTC Bed calculations and Population counts include LTC Bed Counts and Population Counts (DA level) for that particular area.
